

RIMSPOLISH & NITROMAC

NEW Automatic Polishing machine **GTS 1/26 PROFI**

- + Professional polishing machine suitable for the assembly of rims up to 22 inches
- + Designed for great professionals
- + Workshops from all around the world provide their service with our machines to their most exclusive clientele
- + The polishing process is completely automatic
- + The best finish brilliance possible. It shines 38% more than chromium and it does not leap. The polishing is long-lasting; it only needs a pre-polishing every 2 years
- + It works with 380V, 2 motors at 1.5 Kw (optional several measures), treated with antioxidant and acid. Adjustable as much as to lacquer as to polish
- + Previous experience needed. We also offer a professional 2 days course in our Manufacture form Leon Spain.
- + All accesories like grinder stones,polish or Compount for sale in Stock.Ask for prices!
- + Do not hesitate to ask for more information. Our specialists are at your disposal
